Dear Patient:

When you're in labor, the last thing you want to do is fill out paperwork and answer routine questions. That's why we suggest that expecting mothers **pre-register by the sixth month of pregnancy as follows:**

- **Please complete the attached form and return it to the hospital as soon as possible.** This information is very important, and we should have it prior to your admission. It can be mailed to the above address or faxed to (717) 782-5536.

- If you have questions while completing this form, you may call the Patient Registration Department, Harrisburg Hospital at 782-5213 and we will gladly assist you.

- Upon receiving your pre-registration form, we will send you a packet of information, which will be helpful for planning your stay with us.

- At your convenience, you may stop at Patient Registration to have your insurance cards copied. Patient Registration is located on the first floor of the hospital on the Harrisburg Campus.

- If you are unable to stop by Patient Registration ahead of time, please be sure to bring your insurance cards with you when you are admitted so we may verify the information at that time.

  - When arriving for admission after 8 p.m. please use the Emergency Department Entrance. Staff there will be available to assist you, if needed.

- Should there be a change in your insurance after you send in your form, please call the above number so we can update your information.

- Please keep this cover letter in case you have any future changes or questions that you would like to address with Patient Registration.

Thank you for choosing PinnacleHealth. We look forward to caring for you and your baby.

PLEASE COMPLETE THIS MATERNITY PREREGISTRATION FORM AND MAIL IMMEDIATELY
